

THE END OF THE ROAD

Chapter 1

How many times have I
seen you before
I met you
I met you
I met you

Chapter 1

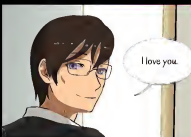

Honey, I'll be back.

Ah! I forgot
to put out one of my
suits to be washed.

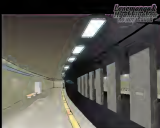

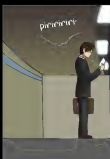

Make sure you
check my pockets to
see if I haven't left
anything in them.

I love you.

The train will be arriving soon.

Passengers,
please take a
step back.

If what
you're saying about
them conducting such
experiments is true,

we could
get support from
Switzerland or
Belgium.

We can use
that document as
a weapon against
them.

you'll be prepared
to fight them off.

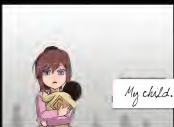

Even if that
is my country...

split

split

*I want to apologize for being
unable to stay with you.*

*But more than that, I want
to tell you that I love you.*

*I won't be able to
see you grow up,*

*but no matter what
you do and no matter
where you live,*

*we'll be watching over you,
cheering you on.*

My lovely son and daughter.

*You'll face all sorts of hardship
and adversaries,
but over time it happens....*

cry a lot,

smile a lot

and love a whole lot more.

If you love this world,

*no matter what hardship you may face,
it will never break you.*

*I love you. I love you so much.
My children,*

this father

and this mother

Loves the both of you...

Everyone Hates

so much.

We are in dire need of staff!
